## BARNUM WOULD HAVE BEEN PROUD

Considering the show chairman was Santa Claus, (moonlighting); the committee did an outstanding job on this years Camera Show & Sale. With a lot of help from club members and friends, of course. This years gate count was 1533. Up 300 over last year. There were 113 Early Admittance entries; a little over double last years. The additional 40 tables did not seem to present a problem. Everything considered, it was a great show and most everyone seemed to enjoy it. Shirley will give us the monetary good news at the meeting.

## EXACTA BOOKS

Mel Spitler has ordered, and received 17 "EXACTA CAMERAS 33-78". These will be available at the next meeting, to club members, for about \$16.00. This is a very reasonable price.

## HOT ONE

Gary Sivertsen; selling at the Starlight, on Sat. the 7th., had the following camera stolen: Blk. Body Contax 139 Quartz Ser. #172676. With 50mm f.2 ML Series lens. Anyone seeing this camera, please contact Gary at (206)-564-3782.
